

Find and Count the Sight Words

Read the short passage and count how many times each sight word appears. (***A little boy playing with a dog***)

There is a little boy in the park.
 He has a dog. The dog is happy.
 The boy and his dog play together.
 The boy throws a ball over the tree.
 The dog runs to get it.
 The boy says, "Come here, dog!"
 The dog comes back to him.
 There is so much joy!
 The boy hugs his dog.
 What a nice day!
